Science Center Field Trip

On Wednesday, November 1st we are going to the Science Center to participate in the "Math in Motion: Shapes and Patterns" workshop. Both the a.m. and p.m. classes will be **attending at the same time. (9:15 to 1:15)**

If you would like to join us as a volunteer, please sign the list on the podium.

Lending Library

Check out the parent lending Library in the foyer. Take a book, read it and return it for others to enjoy.

Family Photo Fundraiser

On Saturday, November 11th the school photographer will be taking family photos here at Foothills Alliance Church. A portion of proceeds will be donated to the school. This is an excellent opportunity to get a picture of the whole family!

Please see Sherrie at the office to book a sitting time.

Cameras

When volunteering in the class or attending a Field Trip, please remember to bring your camera.

We want to capture all the children's experiences for the Memory Book!

Noah's Ark Parties

As a positive alternative to the scariness of Halloween, we are having a Noah's Ark Party (Oct. 30th). We are asking that all the children dress as an animal.

If your child does not have a costume to wear, please let a teacher know. We have a lot of dress-up clothes in the class, that we would be happy to lend you for the day!

Labeling

Please remember to label all your child's belongings (i.e. backpack, water bottle, coat, shoes, etc.) with first and last name.

Photos

We need your pictures for the Memory Book. If you have any pictures of classroom events, field trips, etc. please send them to your classes Memory Book Coordinator.
