

# The Preschool Weekly

WEEK OF FEBRUARY 12

## Upcoming Dates

### February

12-Lunar New Year & Valentine's Party-  
Wear Red!

-Students going to Kindergarten next year  
will have grad photos

14- Non-Instruction Day (NO CLASS)

### March

20- Last Class before Spring Break

## Items Needed:

- Students can bring in a coin (toonie) to shop in our market as we learn how to show our love for our neighbours.
- Additional Non-Perishable food items for the Calgary Food Bank can be brought in until Feb.22

We will continue talking about how Valentine's Day is about showing others our love. The Lunar New Year is also about family connections, showing each other love and starting the new year together.

We will be celebrating both on Tuesday, Feb. 12.

When writing out the Valentine's cards, please just leave the To: Blank. You can encourage your child to practice writing their name in the From: section. Doing this makes the card distribution much easier at the start of class!

When you arrive with your child, you will find their Valentine's holders on their coat hooks. Please help them to distribute their cards into their friend's folders BEFORE coming into class.

To make things easier, when hanging up back packs and jackets, please move the Valentine's holder so it is positioned ON TOP of their jackets/backpacks so that others may put cards into them.

If your child is going to Kindergarten (not Jr. Kindergarten) next year, they will have graduation photos taken on Tuesday. Since they will be wearing a cap and gown, they do not need to wear dressy clothing to school.

Tax receipts are available now. Please pick them up at the office from Sherrie Fowler.
